

Business Advisory Council

Mission Statement

The mission of the California High-Speed Rail Authority (Authority) Business Advisory Council (Council) is to cultivate a partnership between the Authority and its Small Business and contracting community.

The Council will serve as a forum to provide essential input and advisement to the Authority in implementing its policies and practices that affect and/or impact Small Business utilization and participation in all of the Authority's contracting programs.

The collaboration and insight will serve to advance the Authority's success in meeting its 30% Small Business Goal on this historic infrastructure project.
